

Shipbuilders and Sailors Honor Veterans with Holiday Wreaths

On Dec. 11, Newport News shipbuilders paused from their holiday preparations to honor fallen veterans at the Hampton National Cemetery. NNS volunteers joined active service men and women, military families, Boy Scouts, high school students, fraternal organizations and other Hampton Roads civic groups prepare for the National Wreaths Across America Remembrance Ceremony. Hours before the noon-time event, volunteers arrived at the cemetery to unwrap and fluff wreaths and red bows to place at 11,000 headstones.

NNS' Veterans Employee Resource Group (VERG) organized the shipyard's participation in the event. "Volunteering with Wreaths Across America is a wonderful way to honor those who protected our freedom through service and sacrifice," said **Beth Hoss** (E89) VERG director of Community Relations. "WAA promises to remember the fallen, honor those who serve and their families, and also teach our children the value of freedom."

The event's theme "Every Stone Has a Story" was true for NNS employees **Audrey Davis** and **Gina Chew-Holman**. After the wreaths were staged and ready for the ceremony, the two volunteers visited the final resting place for their relatives.

Davis said, "It was an honor and privilege to support Wreaths Across America with VERG, not only in remembrance of all the fallen soldiers and their families, but also to place a wreath and a poinsettia on the grave of my in-laws TSGT Howard Gibson and his wife Emma Jane Gibson."

Chew-Holman visited her great-uncle's grave the first time since attending the World War II veteran's internment as a child. "Being here today is as emotional and memorable as it was when I was a little girl," Chew-Holman said. "I was proud to represent my family and support Wreaths Across America."

WiSE Assist Local Children Through “Secret Santa” Gift Giving Efforts

This year, Women in Shipbuilding Enterprise (WiSE) sponsored more than 80 Court Appointed Special Advocate (CASA) children, exceeding the 36 children they assisted in 2014. Newport News CASA volunteers work with local abused and neglected children who are under the court’s supervision. The children, ages 5 months to 17 years old, often have nothing to call their own as they are moved from place to place.

This year’s donations included books, clothes, toys and seven bicycles.

“I am extremely moved by the generosity of our shipbuilders this year, especially during these tough times of uncertainty,” said **Becky Webster** (O51). “The response has been overwhelming and we were able to sponsor 86 children total – a new record!”

Heather Smith (X75) was also enlightened by the amount of giving this year. “It was so heartwarming to see the amount of employees reaching out to our youth this holiday season

WiSE members and NNS employees pictured in front of the gifts donated to Newport News CASA children this year. Gifts included books, clothes, toys and seven bicycles. Photo by **John Whalen**

and giving back,” she said. “This opportunity offers hope and a sense of belonging to these children that would have gone without Christmas. Thank you to all who participated in making this holiday season so special for so many. Not only do we build great ships, we also build great people.”

Visit the WiSE Yardnet website for information on how you can get involved in upcoming events.

PRTO Group Sponsors Third Annual Angel Tree Donation

Newport New Shipbuilding’s Process and Tools (PRTO) group continues to honor the spirit of the holidays by participating in an Angel Tree donation to benefit area children in Hampton Roads.

Each E08 and X57 manager, along with their teams, worked with the Newport News Department of Social Services (DSS) to provide all items on the “wish list” of six children between the ages of 11 and 14 months old. All gift bags were filled and gifts were wrapped prior to delivery. The donations will be delivered to DSS by Dec. 25.

The PRTO Leadership Team. Front: **Carol Scarberry** (X57), left, and **Mike Scarberry** (X57), Back (L to R): **Tim Lauth** (X57), **Suzanne Beckstoffer**, E01 director, **Mark Debbink** (E08) and **David Rockey** (E08). The team also includes **David Haskiell** (E08) who is not pictured.

Shipbuilders and Sailors Honor Veterans with Holiday Wreaths

CONTINUED FROM PG 1

USS *Abraham Lincoln* (CVN 72) and PCU *Gerald R. Ford* (CVN 78) sailors and officers were among the active service men and women who laid wreaths at the headstones. As an event sponsor, PCU *Gerald R. Ford*’s ceremonial duties also included color guard presentation of the colors, singing of the national anthem by the CVN 78 choir, delivery of the invocation and mistress of ceremonies.

Cover photo: **Beth Hoss** (E89) helps to prepare wreaths prior to the wreath laying on Dec. 12. Pictured to the right: After working with volunteers to prepare more than 2,000 wreaths for the National Wreaths Across America Remembrance Ceremony, **Gina Chew-Holman** (O29) places a wreath at the tombstone of her great uncle. The World War II veteran was interned at the Hampton National Cemetery in 1963. Photos by **Ben Scott**

Supporting Toys for Tots

E83 Engineers donated more than \$300 worth of toys to benefit Toys for Tots.

“I love to see how E83 joins together and opens their hearts to help others in our community,” said **Lindsay Cestero** (E83). “Even with all the change our department has experienced this year, our strength, our bonds and our unity shines through which demonstrates our passion to give back to others.”

Apprentices **Marvin Barnes** (X11), second from left, and **Aleshia Jackson** (X31) pictured with two Marines at the annual Busch Gardens Christmas Town Dash Dec. 6.

Apprentices Volunteer at Christmas Town Dash

Several apprentices volunteered their time to assist with Busch Garden’s annual Christmas Town Dash on Dec. 6. The 8K fitness event supports the Marines Toys for Tots.

“The event was extremely fun with runners of all ages enjoying themselves and the company of the other runners,” said X31 Apprentice **Aleshia Jackson**. “Marines and volunteers handed metals to the finishers at the finish line. It was an honor to stand with the Marines and give the metals to the runners. They really brought something special to the event with actions that were extremely heartfelt such as when two Marines ran 100 yards in their official Blue Dress uniforms to meet a young disabled man and ran with him across the finish line.”

HOLIDAY GREETINGS & 2015 YEAR IN REVIEW

Watch this year’s Holiday Greetings and 2015 Year in Review video on Yardnet. Both videos will also be shared on the Huntington Ingalls Industries’ Facebook page later this week.

Pictured above: *Virginia*-class Submarine shipbuilders working on *Delaware* (SSN 791).

Read the year-end message NNS President **Matt Mulherin** sent to employees on Friday, Dec. 18. A copy of the letter is also available on Yardnet.

ISCVN Tournament Proceeds Benefit the USO

The In-Service Aircraft Carrier (ISCVN) Program hosted its 12th annual Aircraft Carrier Invitational Golf Tournament Oct. 30 at Ford’s Colony Country Club in Williamsburg, Va. Approximately, 150 individuals participated in the tournament. Proceeds from the tournament will benefit the USO of Hampton Roads and Central Virginia. On Dec. 11, ISCVN held a check presentation ceremony to present the check to the USO.

Pictured (L to R) at the Check Presentation Ceremony: **Chris Miner**, vice president of In-Service Aircraft Carriers, **Bernadette Reid** (K71), **Josie Berry** (USO), **Bruce Roberts** (K69) and **Karen Licari** (USO).

Tugboat *Dorothy* Turns 125

On Dec. 17, 1890, *Dorothy*, the first ship built by Newport News Shipbuilding was launched into the James River. Named for Secretary of the Navy William C. Whitney’s daughter, four-year-old Dorothy Payne Whitney, the tugboat sits in front of NNS 125 years later as a reflection of the company’s rich history.

AROUND THE YARD

Shutdown Reminders

As a reminder, before leaving for shutdown, Facilities encourages all employees to close doors and windows and unplug all unnecessary electrical equipment, such as:

- Coffee pots
- Space heaters
- Appliances
- Fans
- Computers
- Lighting

Employees who must work during shutdown should turn everything off before leaving work each day. In addition, window air conditioning (AC) units with heating capability should only be adjusted to their minimum setting. Other window AC units should be completely turned off.

Do not turn the heat completely off. Most building HVAC automated control systems will be set as "unoccupied" by midnight on Dec. 23. If working during shutdown and your building requires additional heat, call the Service Desk at 688-9888. Provide your name, department, building and the hours that you will be working. Heat will be provided only per specific request and timeframe.

Do not secure utility services to facilities during shutdown such as water, welding gases, compressed air, etc. Do not depressurize permanently installed gas systems such as oxygen, nitrogen, propane, etc. inside buildings or other areas served by these systems.

For questions, regarding this notification, contact **Mike Romanelli** (O46) at 688-0230.

W-2 Name and Address Verification

Employees should review their name and address on their pay stubs for accuracy. W-2's will be mailed to the address that appears on the check stub. The first and last name printed on the stub should appear exactly as it does on the employee's social security card. For more information about name and address changes, read the Distribution A Memo published on Dec. 16, 2015.

Check Out HII's Year in Photos

View Huntington Ingalls Industries' best images from 2015 on Homeport or Yardnet. The photo slideshow features key events that occurred throughout the year at Newport News Shipbuilding, Ingalls Shipbuilding and HII's Corporate Office.

HII Washington DC GCR Office

HII maintains a small extension of its corporate office in Washington D.C. The HII Government and Customer Relations (GCR) Office is the one-stop point of contact with our D.C. -based customers in the Navy, Marine Corps, Coast Guard, other Federal offices, and the United States Congress. The office is responsible for ensuring that HII always speaks with one voice when interacting across a diverse landscape of decision makers in Washington, DC.

While direct interaction with Federal elected officials in support of HII priorities is stringently coordinated and under the control of HII's GCR, CP A7 encourages employees to vote, contribute financially to the party or candidate of one's choice, serve in civic bodies, and campaign and hold office at local, state and national levels. These rights are seen as important civic responsibilities. However, employees or officers at management Band 4 or higher must obtain prior approval when seeking to serve on a governmental board or political commission. This requirement is designed to ensure that no conflict of interest or perceived conflict of interest results from such activities. Requirements for roles of this nature are set forth in corporate procedure, CO H206, External Board Memberships. Employees engaging in personal political activity are expected and required to do so on their own time and not on company property and are prohibited from using company resources, except where allowed by law, in support of their personal political activities.

Employees with questions about the scope of the GCR, the corporate policies and procedures related to federal or state political activities, or their personal political activities as they may relate to HII should seek the advice of their manager, Human Resources, Law Department, HII's GCR or Ethics Office.

LX Upgrade is Coming Soon

An upgrade to Newport News Shipbuilding's learning management system, the Learning Exchange (LX), is coming soon. Below are important dates regarding the upgrade:

- LX blackout: Jan. 19 (4 p.m.) - Jan. 25 (7 a.m.)
- Jan. 25: "Go-live" date for new system

Visit the LX Upgrade webpage for more information about the upgrade.

"Thank You for the Great Work You've Done in 2015"

Visit www.huntingtoningalls.com/about/yearinphotos15/ to watch a year-end video message from HII President and CEO **Mike Petters**.

EAP Services Available

Newport News Shipbuilding would like to remind employees that Employee Assistance Program (EAP) services are available to employees and eligible family members. Below are the services EAP can assist with:

- Relationship or family problems
- Alcohol and/or drug-related problems
- Feelings of overwhelming and/or anxiety
- Stress management
- Divorce and blended family issues

Employees can contact EAP by calling Anthem at **1-855-400-9185**. Counselors are available to offer assistance 24 hours a day, seven days a week. Employees can also contact their Human Resource Business Partner (HRBP) for additional information.

Get Aboard the Safety Train
