Subject: Notification of Tobacco-Free Policy

Dear Valued Supplier:

We believe that open communications with our suppliers regarding significant events that could affect either of our businesses is an important part of maintaining an effective customer-supplier relationship.

Accordingly, we would like to inform you that, effective July 11, 2022, Newport News Shipbuilding will be a tobacco-free facility. This means Newport News Shipbuilding will prohibit the use of tobacco products on company property. Violations of this policy could result in denied access to our facility.

Please direct any questions that you may have to the appropriate Supply Chain Representative as indicated on your purchase orders. Thank you.

Sincerely,

Stephanie Simmons
