

Technical Solutions COVID-19 Visitor & New Employee Form

Safety is a core company value at HII Technical Solutions. In the interest of ensuring a safe and healthy work environment for our employees, visitors, contractors, vendors, and suppliers, we ask that ALL visitors carefully complete this self-assessment prior to entering our facilities. Please consult with your sponsor for requirements related to recent travel and COVID-19 vaccination status.

Vaccination Status

In accordance with Centers for Disease Control guidance, HII requires **all unvaccinated** (or partially vaccinated) persons who are entering an HII facility to wear a face covering and observe social distancing. More stringent requirements may apply in some states or localities. Additionally, visitors who have traveled domestically or internationally must comply with all applicable [CDC Travel guidance](#) which vary based on the person's vaccination status. If you are currently subject to a testing or quarantine requirement due to travel, do not enter this facility.
